

WHS023 ENVIRONMENT POLICY

Title	Environment Policy	Effective Date:	October, 2012
--------------	--------------------	------------------------	---------------

TJ Johnson Industrial are committed to managing the environmental impacts resulting from Company activities, and to ensure that these activities are ecologically sustainable, while continuing to meet customer expectations.

TJ Johnson Industrial are committed to: -

- Protecting the environment with regards to work sites.
- Preventing degradation of the environment.
- Minimising the risks to human health.

This will be achieved by: -

- Minimisation of discharges into the air, land or water, of substances likely to harm the environment.
- Minimisation of waste, by promoting the reduction of waste, re-use and recycling of materials.
- Minimisation of non-reusable resources, such as energy and potable water.
- Continuous improvement in the collection, transportation, treatment, storage and disposal of waste.
- Promotion of environmental protection awareness amongst staff, visitors, suppliers and sub-contractors.
- Compliance with Legislation.
- Use of environmentally friendly products and technology.

TJ Johnson Industrial will support the Environmental Plan, by their involvement in decisions and training about environmental matters.
